### Public Records or Information Requested:

*(Describe the records or information sought with enough detail for the Peninsula School District to respond. Be as specific as your knowledge of the available records will allow; however, it is more important to describe the information you are seeking.)*

I am making an official request for public records pursuant to RCW 42.56. Please provide the following information:

1. All communications including other "writings" as defined by RCW 42.56.010 including text messages from school board directors West, Wimberley, Glover, Krishnadasan, Butler, and Olson, and/or from superintendent Bahr containing the words "Resolution" and/or "Resolutions" from June 1, 2021 to January 26, 2022.

While I believe this request is clear, as the statute requires, please construe this request liberally. If you require any clarification concerning this request, please contact me.

I would prefer to receive these records digitally via email.

The Public Records Act (PRA) prohibits agencies from providing lists of individuals requested for a commercial purpose, unless specifically authorized by law. See RCW 42.56.070(8). The PRA authorizes agencies to require a requestor provide information as to the purpose of the request in order to establish whether inspection or copying would violate the statute. See RCW 42.56.080, and SEUI Healthcare 775NW v. State, 193 Wn. App 377 (2016).
